

## **EC Declaration of Conformity**

Issue date:

December 2011

We.

No Climb Products Limited

Edison House

163 Dixons Hill Road

Welham Green Hertfordshire

AL9 7JE

certify that the following products:

SOLO™ 461 Kit (which consists of the following products)

SOLO™ 460 (Cordless (CAT) Heat Detector Tester)

SOLO™ 760 (Battery Baton)

\*SOLO™ 725 (Universal Fast Charger for Battery Batons)

conform to the protection requirements of the European Union Council Directive 2004.108/EC and on the approximation of the laws of the Member States relating to Electromagnetic Compatibility, and Directive 2006/95 on the approximation of the laws of the Member States relating to electrical equipment designed for use within certain voltage limits (Low Voltage Directive) and CE marking respectively. Compliance in accordance with the following harmonised standards:

EN55014-1:2006

+A1:2009

EN55014-2:1997

+A2:2008

\*EN61000-3-2:2006

+A2:2009

\*EN61000-3-3:2008

EN61000-6-3:2007

EN61000-6-1:2007

\*EN55011:2007

+A2:2007

\*EN60950-1:2006

+A1:2010

Electromagnetic compatibility. Requirements for household appliances, electric tools and

similar apparatus. Emission.

Electromagnetic compatibility. Requirements for household appliances, electric tools and

similar apparatus. Immunity.

EMC - Electromagnetic compatibility. Limits. Limits for harmonic current emissions (equipment

input current <16 A per phase).

EMC - Electromagnetic compatibility. Limits. Limitation of voltage changes, voltage fluctuations and flicker in public low-voltage supply systems, for equipment with rated current <16 A per

phase and not subject to conditional connection.

EMC - Electromagnetic compatibility. Generic standards. Emission standard for residential,

commercial and light-industrial environments.

EMC - Electromagnetic compatibility. Generic standards. Immunity standard for residential,

commercial and light-industrial environments.

Industrial, scientific and medical (ISM) radio-frequency equipment. Electromagnetic disturbance characteristics. Limits and methods of measurement.

Information technology equipment. Safety. General requirements.
