testing technology from No Climb

EC Declaration of Conformity

Issue date: February 2011

We, No Climb Products Limited
Edison House
163 Dixons Hill Road
Welham Green
Hertfordshire
AL9 7JE

certify that the following products:

Testifire ® 1000 / 2000 (Multi-Stimulus Detector Tester)
SOLO™ 760 (Battery Baton)
***SOLO™ 725 (Universal Fast Charger for Battery Batons)**

conform with the protection requirements of the European Union Council Directive 2004.108/EC and on the approximation of the laws of the Member States relating to Electromagnetic Compatibility, and Directive 2006/95 on the approximation of the laws of the Member States relating to electrical equipment designed for use within certain voltage limits (Low Voltage Directive) and CE marking respectively. Compliance in accordance with the following harmonised standards:

EN61326-1:2006	EMC requirements for measurement, control and laboratory use. <ul style="list-style-type: none">● Immunity to Annex A for portable test and measuring equipment:<ul style="list-style-type: none">○ RF immunity to EN61000-4-3:2006+A2:2010○ ESD to EN61000-4-2:2009● Emissions to EN55011:2007 class B
EN61010-1:2010	Designed to comply with Safety requirements for electrical equipment for measurement, control and laboratory use. General requirements.
*EN61000-3-2:2006 +A2:2009	EMC - Electromagnetic compatibility. Limits. Limits for harmonic current emissions (equipment input current <16A per phase).
*EN61000-3-3:2008	EMC - Electromagnetic compatibility. Limits. Limitation of voltage changes, voltage fluctuations and flicker in public low-voltage supply systems, for equipment with rated current <16 A per phase and not subject to conditional connection.
*EN61000-6-2:2005	EMC - Electromagnetic compatibility. Generic standards. Immunity standard for industrial environments.
*EN61000-6-4:2007	EMC - Electromagnetic compatibility. Generic standards. Emissions standard for industrial environments.
*EN60950-1:2006 +A1:2010	Information technology equipment. Safety. General requirements.
